

## CONFERENCE ANNOUNCEMENT AND CALL FOR PAPER SUBMISSION FOR THE INTERNATIONAL CONFERENCE ON SPECIAL EDUCATION

"Early Intervention - Supporting for Development of Inclusive Education for Children with Developmental Disabilities"

In order to have an overview on the current situation of early intervention for children with developmental disabilities our International Conference seeks to propose the suitable orientations for early intervention activities in local areas as well as give the good opportunities for international academic exchange between scholars to enhance the quality of inclusive education for children with developmental disabilities in the future. Under the permission from the Ministry of Education and Training at Document No.3042/BGDĐT-HTQT on August 13<sup>th</sup>, 2020, Ho Chi Minh City University of Education organizes an International Conference on "International Conference on Special Education Early Intervention - Supporting for Development of Inclusive Education for Children with Developmental Disabilities". We are pleased to invite you submit papers for the International Conference.

### 1. 1. Objectives

- Provide a forum for academic exchange of the current situation of early intervention and inclusive education for children with developmental disabilities in Vietnam and in the world.
- Put forward some recommendations for the enhancement of the early intervention quality, inclusive education support for children with developmental disabilities to the educational managers and policy makers.
- Publish the new research results on the methods and assessment models, early intervention, and inclusive education support for children with developmental disabilities.

### 1. 2. Conference themes

The conference will focus on the following topics:

- The current situation of early intervention (models, methods, policies...) for children with developmental disabilities in Vietnam and other countries in the world.
- The importance of early intervention to the quality of inclusive education for children with developmental disabilities and the living quality of children with developmental disorders.
- Suggestions and solutions for the effectiveness of early intervention for children with developmental disabilities.

### 1. 3. Participation

- Specialists in special education from the United States, Korea, Malaysia, Thailand, Laos, Taiwan and some other countries.
- Delegates of the organizations and sponsors: UNICEF, Save the Children, Singapore International Foundation,...
- Researchers, lecturers from a wide range of academic fields: applied educational psychology, social work, and special education nationwide;

- Teachers, educational managers, consultants in phonetics, psychomotor, psychotherapy, and special education teachers nationwide;
